

Gotta Be Patient (feat. Barenaked Ladies & Sofia Reyes)

Michael Bublé

One, two, three

I just wanna see my

I wanna walk the street

But I gotta be patient

So let's enjoy this

I just            feel your love

'Cause Instagram is        for me

So I gotta be patient

Let's enjoy this confinement

And every day we'll sing a song

To make you dance

Until this ends

I just wanna see my

I wanna walk the streets

So I gotta be patient

Let's enjoy this confinement

Si

Tienes ganas de salir

Lo siento pero no

Tienes que quedar allí

Pero cuando canto esta canción

[?] El corazón

Y me siento muy feliz

And every day we'll sing a song

To make you dance

Until this ends

I just wanna see my friends

I wanna walk the streets again, again

But I gotta be patient

So let's enjoy this confinement

Every night and every day

So I gotta be patient

Let's enjoy this confinement

Woah-ooh-woah, ooh, ooh

I gotta be patient (I gotta be)

So let's enjoy this confinement, ooh
