Performance Assessment

Backpack Search

A. Salem, Mahra and Mariam are looking in their backpacks. They are counting how many things they have. They fill in this table.

	Salem	Mahra	Mariam
pencils	2	4	1
books	2	3	2
pens	1	0	2
crayons	4	3	0
erasers	0	1	3
notebooks	3	2	1

A. Use their table to answer the questions

How many pencils do Salem and Mahra have? Type the addition sentence.

[   ] + [   ] = [   ] pencils

How many notebooks do Mariam and Salem have? Type the addition

[   ] + [   ] = [   ] notebooks

How many erasers do Mariam and Mahra have? Type the addition

[   ] + [   ] = [   ] erasers

How many books do Salem, Mahra and Mariam have? Type the addition sentence.

[   ] + [   ] + [   ] = [   ] books

B. Count your own things, just like Salem, Mahra and Mariam! Compare your results with your partners to fill this chart. Type your names at the top. Type numbers under your names.

	Student 1	Student 2	Student 3
pencils			
books			
pens			
crayons			
erasers			
notebooks			

C. Use your **table** to answer the questions.
