

# Sally and An Atypical Day

Every day I wake up at 6:30, but I don't get up until 7. The first thing I do is wash my face and then I brush my teeth. After that, I get dressed and have breakfast. I usually drink milk and have a bowl of corn flakes.

Then, I take the bus at 7:45. At school I have many different subjects every day- like maths, music, English, and history. I usually play football during breaks. I go home at 3 and then I have lunch.

I sometimes ride my bike for an hour and I play computer games. Then, I do my homework. After that, we have dinner at 7. Then, we watch some TV. At 8:30 I go to bed.

However, today is an atypical day. I am not going to school. I am having breakfast with my family because it is my birthday. We are eating a delicious cake and I am listening to my favourite music right now. In the afternoon, I am having a party with my friends. We are dancing and playing video games together. It is a great day!!! What about you?
