

Simple Present + The time

Look at the clocks. Match them with the correct time.

It's a quarter past four.

It's a quarter to ten.

It's half past four.

It's one o'clock.

Its half past seven.

It's seven o'clock.

Watch this video and pay attention to these children's daily routine.

Read the sentences and write M (for Mark) and N (for Nicole)

1. I have lunch at one o'clock at the school cafeteria.
2. I am very passionate about basketball.
3. I get up at a quarter to eight.
4. I like reading.

Now, look at the pictures and the clocks. Write sentences as in the example. Then, tick the ones that are true. (pay attention to the clocks)

Get up - leave the house - brush his/her teeth - go
to a dance club - have a shower

1.

He gets up at a quarter to seven.

2.

(he)

3.

(they)

4.

(she)

5.

(she)

Finally, make questions to the underlined answers.

1. _____

He washes his face and brushes his teeth in the bathroom.

2. _____

He goes to school by car.

3. _____

He has lunch at the cafeteria.

4. _____

He has dinner with his family.
