### STRUCTURE

#### Reported Speech (Indirect Speech)

If we report what another person has said, we usually do not use the speaker's exact words (direct speech), but reported (indirect) speech. Therefore, you need to learn how to transform direct speech into reported speech. The structure is a little different depending on whether you want to transform a statement, question or request.

Test your knowledge in this crazy quiz! The presenter is a bit strange, the points don't make sense and the prizes could use some improvement, but at least the grammar is correct! (You can watch this video with ENGLISH subtitles.)
