

MULTIPLICATION

1. Juanita buys 2 boxes of 8 crayons each.

a) Which drawing represents what Juanita bought?

b) How can you find the total number of crayons? Tick the boxes:

$$8 + 8 = \underline{\quad}$$

☐

$$2 + 2 = \underline{\quad}$$

☐

$$3 \times 8 = \underline{\quad}$$

☐

$$2 \times 8 = \underline{\quad}$$

☐

$$2 + 8 = \underline{\quad}$$

☐

c) How many crayons does Juanita have altogether? Write a complete answer:
