

Disappear

Guys like you and me we're just the **losers / rulers**
Who keep waiting to be seen, right?
I mean no one seems to **care / dare** or stops to notice that we're there
So we get lost in the in-between

But
If you can somehow **leave / keep** them thinking of me
And make me more than an abandoned memory
That means we matter too
It means someone will **see / feel** that you are there

No one deserves to be forgotten
No one deserves to **glade / fade** away
No one should come and go
And have no one know he was ever even here
No one **preserves / deserves** to disappear
To disappear, to Disappear, disappear

It's true
Even if you've **always / someway** been that barely-in-the-background kind of guy
You **still / even** matter

And even if you're somebody who can't escape the feeling
That the **word's / world's** passed you by
You **still / even** matter

If you **ever / never** get around to doing some remarkable thing
That doesn't mean that you're not **worth / work** remembering
Think of the people who need to know

They **keep / need** to know

So you need to **show / hold** them (I need to show them)
That no one deserves to be forgotten
No one deserves to be forgotten

No one deserves to **set / fade** away
To **set / fade** away

No one should **flicker / tickler** out or have any doubt
That it matters that they are here

No one deserves (no one deserves)
To disappear to disappear, Disappear

When you're **calling / falling** in a forest

And there's nobody around
All you want is for somebody to **hide / find** you
When you're **calling / falling** in a forest
And when you **hit / sit** the ground
All you need is for somebody to find / hide you

- *I'm calling it the Connor project*
- *The Connor project?*
- *A student group dedicated to keeping Connor's memory alive*
- *To showing that everybody should matter*
- *We have to do this. Not just for Connor, for everyone*

'Cause no one deserves to be forgotten
No one deserves to **set / fade** away

- *We're calling it the Connor project*
- *The Connor project?*
- *Imagine a major online presence*
- *A massive fundraising drive*
- *And for the kickoff event: an all-school memorial assembly*
- *I didn't realize Connor meant this much to people*
- *Oh Evan, this is wonderful!*

No one deserves to be forgotten
No one deserves to fade away
No one deserves to disappear
No one deserves to disappear
No one should flicker out or have any doubt
That it matters that they are here
No one deserves (no one deserves)
No one deserves to disappear
To disappear
Disappear
No one deserves (to be forgotten)
Disappear
To disappear, disappear
To disappear, disappear
Disappear
To disappear
Disappear (disappear)
To disappear
Disappear
