Rosie Revere, Engineer Cloze

built	quit	fly	great
gadgets	stay	laugh	flop

Rosie Revere dreamed of becoming a _____

engineer. When no one was looking, she would

gather treasures to build gizmos and _____.

She didn't show her inventions to anyone as she

thought people would _____ at her. One day her

great-great-aunt Rose came to _____. Rose had

always wanted to _____. Rosie stayed up all

night and _____ her a flying machine. It turned

out to be a ridiculous _____ but her great-great-

aunt loved it. Rosie learned that failures are really

successes and that true failure is when you

_____.
