The History of communication

1) After watching the video, number the order the means of communication appear:

( ) Email
( ) The pony express
( ) The Radio
( )The "smart" phone
(1) The smoke signal
( ) The telephone
( ) Facebook
( ) The homing pigeon
( ) The semaphore flag
( ) The telegraph

2) **Smoke signals are** one of the oldest forms of visual communication. Did you know they are still used today? The College of Cardinals **uses smoke signals** to indicate the selection of a new Pope during a papal conclave. What kind of messages do you think people were trying to send through the smoke in the past? Write a paragraph with your ideas.
