	First, the federal government is necessary for the big things. They keep the economy in order and look after like defense.
	Thus for the reason above, we can conclude that the three levels of the government are necessary.
	In Australia there are three levels of governments, the federal government, state governments and local governments. All of these levels of government are necessary. This is so for number of reasons.
	Therefore, cars should be banned from the city for the reasons listed.
	Lastly, some pesticides affect non target plants and animals such as fish and bees. This affects the ecology and environment as well. So, understanding of ecology of an area helps a lot in pest control. Pesticides should be chosen and applied carefully so that they don't affect the ecological balance and environment.
	So, understanding of ecology of an area helps a lot in pest control. Pesticides should be chosen and applied carefully so that they don't affect the ecological balance and environment.
	Therefore, integrated pest management is a safe and more effective option to fight pest in agriculture and livestock.
	I strongly believe that mobile phones are necessary. My reasons for this belief are that these phones are convenient for business people who travel a lot, and they are handy for emergencies.
	To begin with, mobile phones are necessary in the case of emergencies. For instance, if you fall down a set of stairs in a building and are badly injured and can't reach a pay phone, it is handy to have one to use. Or, if your car breaks down in the middle of the night in a strange neighborhood, it would be dangerous to leave it in search of a public phone booth.
	So, from now on we should consume fresh local groceries to reduce global warming.
