Penfriends around the world

This year we have a writing project at school called "Penfriends around the world". We write and send postcards to a boy or a girl from a different country. We can learn a lot from other places in the world and we can write about our families and hobbies. My penfriend is a year 3 student from Australia

This is the first postcard I received from her:

My homework for this weekend is to finish writing a postcard with information about me for my penfriend. I want to send it to Miriam on Monday. I am so excited to have a new friend in Australia!
