

Sequence

Listen to the story and answer the question

1.  Emma was in her bedroom thinking about what she should wear that day. She chose a pair of yellow jeans and a white tank top. She put them on and looked into the mirror. *What happened FIRST?*
 -  a. Emma put on the jeans and the tank top
 -  b. Emma was thinking about what she wanted to wear
 -  c. Emma looked into the mirror
2.  Ron and Jordan went fishing with their dad. They rented a boat with a motor. In the middle of the lake the motor stopped running. They paddled the boat back to the shore. *What happened SECOND?*
 -  a. They paddled the boat to the shore
 -  b. They rented the boat
 -  c. The motor stopped running
3.  A dog and a cat were under a tree. The cat ran up the tree and the dog could not follow. The dog barked until a man came out of a house and chased the dog away. *What happened LAST?*
 -  a. The dog barked
 -  b. The cat ran up the tree
 -  c. The dog ran away
4.  Brantley was asked by his mom to clean the garage. Brantley went to the garage and opened the door. He picked up all of the boxes and swept the floor. After every part of the garage was clean, he went into the house. *What happened SECOND?*
 -  a. Brantley went to the garage
 -  b. Brantley picked up the boxes and swept the floor
 -  c. Brantley was asked to clean the garage
5.  It was six o'clock and time to eat. Mom and dad came home from work, and the family sat down and ate roasted chicken. When they were finished, everyone helped clean the table. *What happened FIRST?*
 -  a. Everyone helped clean the table
 -  b. Mom and dad came home
 -  c. It was time to eat dinner
