

Love Again

Dua Lipa

## LOVE AGAIN

I never thought that I would find a way out  
I never thought I'd hear my heartbeat so loud  
I can't believe there's something left in my chest  
anymore  
But God damn, you got me in love again

I never thought that I would find a way out  
I never thought I'd hear my heartbeat so loud

CHORUS 2: I can't believe, I can't believe  
I finally found someone  
I'll sink my teeth in disbelief  
Because you're the one that I want  
I can't believe, I can't believe  
I'm not afraid anymore

I can't believe there's something left in my chest  
anymore  
But God damn, you got me in love again

I used to think that I was made out of stone  
I used to spend so many nights on my own  
I never knew I had it in me to dance anymore

So many nights my tears  
Fell harder than rain  
Scared I would take my broken heart to the grave  
I'd rather die than have to live in a storm like  
before

**CHORUS 1: But God damn, you got me in love  
again  
Show me, your heaven's right here baby  
Touch me so I know I'm not crazy**

**Never have I ever met somebody like you  
Used to be afraid of love  
What am I to do?  
But God damn, you got me in love again  
You got me in love again X 3**
