A young boy with dark skin and short black hair, wearing a light blue school shirt, is sitting at a table. He is holding a large orange box of 'Woodland Muesli' cereal and pouring it into a blue bowl. On the table, there is also a glass of orange juice and a blue mug. A red clock is visible on the wall behind him.

This is Laura. She lives with her mum and dad at 8 Woodland Road. Laura has breakfast at seven o'clock. She always has an egg, toast and milk. She sometimes has cereal and she sometimes has yoghurt. She never has tea or coffee.

A young girl with blonde hair, wearing a pink and white patterned dress, is sitting in a red high chair. She is eating breakfast at a white table. On the table, there is a plate with food, a pink sippy cup, and some other items. The background shows a kitchen area.
