International Keyboard for Accents

<https://www.liveworksheets.com/yk1211547bj>

Please follow these steps in order to add the International Keyboard to your Chrome Book in order to type accents.

1. At the bottom right, click on the time.
2. Select settings (gear icon).
3. Scroll down and click advanced.
4. In the "Language and Input" section, select "Input Method".
5. Click "US INTERNATIONAL KEYBOARD".
6. It should now read INTL next to the time in the lower right corner.
7. Close the settings window.

Practice typing the following special characters on your Chrome Book.

Using the right side ALT key and the corresponding letter, practice these special characters.

í

Activate the CAPS LOCK key or hold the SHIFT key with the right side ALT key in order to make these special capital letters.
