

1) Read the text and answer TRUE or FALSE.

Hello friends, how are you? My name is Karen. I am from Argentina and I am eight years old. I live with my family: my mum and my two brothers. I haven't got any sisters. I go to school in the morning and in the afternoon I do my homework. After that, I have got a lot of free time. In my free time I can dance and rollerblade. I can't sing because I don't like singing.

I love sunny days because I can ride my bike in the park. I also like rainy days because I watch TV with my brothers. I don't like windy days because I can't ride my bike. My favourite season is summer. I usually wear a t-shirt, shorts and sandals.

Well, what about you? Bye bye!
