Read the following text:

My Favourite Room

Hi, I'm Jazmin. My favourite room in the house is the kitchen. It is a very big room. There is a large table with a lot of chairs. There is a modern cooker, a fridge, a microwave and lots of cabinets. We have breakfast together every morning. My parents usually eat bacon and eggs with coffee and toast, but my siblings and I hate eggs and bacon. We prefer hotcakes with syrup or caramel, and hot chocolate milk or orange juice. We never have lunch together because my parents have a salad at work and we eat a sandwich at the cafeteria in the school. I don't like the food at the cafeteria! Puaj! My friend Carol doesn't like either. So we bring our sandwiches from home. For dinner we are all very tired so we usually eat pizza or hamburgers and sometimes macaroni and cheese. But the weekends are so cool! We are a very big family and we meet every Sunday for lunch. My mom likes cooking and she is a great cook. She loves desserts. My grandma cooks delicious food like pasta, pies, or roasted chicken. In summer my dad and my uncle make a barbecue in the garden and we all swim in the pool or play ball with our cousins. I love Sundays! What about you?
