

1. The first image shows two pink flamingos standing in shallow water. One flamingo is preening its feathers, while the other is facing it. In the background, several other flamingos are visible, some standing and some in the water.

2. The second image shows three colorful parrots perched on a branch. Two red parrots with blue and green wings are on the left, and a yellow and blue parrot is on the right. They are all facing each other. The background is a lush green forest.

3. The third image shows a large crocodile walking on a sandy path. It is facing left, and its body is angled towards the camera. The crocodile has a dark, scaly texture and a long, pointed snout. The background is a dry, grassy area.

4. The fourth image shows a light blue snake coiled on a black background. The snake's head is raised, and it is looking directly at the camera. The snake's body is thick and has a smooth, scaly texture.

5. The fifth image shows a light blue snake coiled on a black background. The snake's head is raised, and it is looking directly at the camera. The snake's body is thick and has a smooth, scaly texture.
