A long, long time ago
There was a _____
Living all alone, in the middle of the _____

He sat high above his _____
Watching all the couples play
And wishing that, he had someone too

And from his _____ came, this song of hope
That he _____ out loud **(sing)**
Everyday, for years and years

I have a dream, I hope will come true
That you're here with me, and I'm here with you

I wish that the _____, sea, the sky up above
Will send me someone to lava

Years of singing all alone, turned his lava
into _____
Until, he was on the brink of extinction
But little did he know, that living in the sea
below

Another volcano was listening to his song
Everyday she heard his tune, her lava grew
and grew
Because, she _____, his song was meant
for her **(believe)**

Now she was so ready to meet him above
the sea
As he sang his song of hope for the last time

I have a dream, I hope will come true
That you're here with me, and I'm here with you
I wish that the earth, sea, the _____ up above

Will send me someone to lava
Rising from the sea below, _____ a lovely **(stand)**
volcano

Looking all around but she could not see
him
He tried to sing to let her know

That she _____ not there alone **(be)**
But with no lava his song was so gone
He _____ the sea, with his tears **(fill)**

And _____ his dreams, disappear **(watch)**
As she, _____ what his song meant to **(remember)**
her

I have a dream, I hope will come true
That you're here with me, and I'm here with you
I wish that the earth, sea, the sky up above
Will send me someone to lava

Oh they were so happy
To finally meet above the sea
All together now, their lava _____ and _____ **(grow)**²

No longer are they all alone, with aloha as
their new home
And when you visit them, this is what they
sing

I have a dream, I hope will come true
That you'll grow old with me, and I'll grow
old with you

We thank the earth, sea, the sky we thank
too

I lava you
I lava you
I lava you
