A girl [3] *who / whose* room was next to my room asked if I wanted to go canoeing with her. Canoeing is the only sport [4] *that / who* I really love so of course I said yes. We had so much fun! Our parents spent the day together too. My mother is someone [5] *who / where* doesn't get on with everybody so I was happy that she liked Rachel's parents. That evening we all ate together in a restaurant [6] *where / which* had a big garden and live music. We chatted and laughed until late that night and now we're all good friends.
