Cognados....

In Spanish class this year we have seen many different cognates. We have seen health and wellness cognates from the CDC posters, we have practiced with general cognates on Quizlet, and you have taken notes on cognates that are specific to foods, professions and places.

I. Make a list of 20 cognates, that are important to you. Make sure you spell them correctly. If these words have accents, please make sure to include the accents. You may also use this website if you are having difficulty finding words. Please submit your word list to [Liveworksheets.com](https://www.liveworksheets.com).

|-----------|-----------|
| 1. _____ | 11. _____ |
| 2. _____ | 12. _____ |
| 3. _____ | 13. _____ |
| 4. _____ | 14. _____ |
| 5. _____ | 15. _____ |
| 6. _____ | 16. _____ |
| 7. _____ | 17. _____ |
| 8. _____ | 18. _____ |
| 9. _____ | 19. _____ |
| 10. _____ | 20. _____ |

II. Go to the website <https://www.wordclouds.com/> and create a Word Cloud with cognates that you know!

III. Click "FILE". Click "PASTE/ TEXT". Enter your cognates! Spelling counts!!!!

IV. Make your Word Cloud unique, change the colors, font, sizes, or the pattern!

V. Take a screen capture of your Cognate Word Cloud and upload it to "Google Classroom".
