

## Patience - Guns n' Roses – Elementary

Shed a tear 'cause I'm **missing/fighting** you  
I'm still alright to **cry/smile**  
Girl, I **think/sing** about you every day now  
Was a time **what/when** I wasn't sure  
But **I/you** set my mind at ease  
There **are/is** no doubt you're in my heart now

### Chorus:

Said, " \_\_\_\_\_, take it slow and it'll work itself out fine  
All \_\_\_\_\_ need is just a little patience"  
Said, " \_\_\_\_\_, make it slow and we'll come together fine  
All we need is just a little \_\_\_\_\_"

(patience ooh, yeah)

I sit here on the stairs 'cause I'd rather be **together/alone**  
If I can't **be/have** you right now, I'll wait, dear  
Sometimes I get so tense, but I can't speed up the **hours/time**  
But you **know/understand**, love, there's one more thing to consider

- ( ) You and I'll just use a little patience"
- ( ) We won't fake it, oh, I'll never break it
- ( ) Said, "woman, make it slow and things will be just fine
- ( ) 'Cause I can't take it"
- ( ) You and I've got what it takes to make it
- ( ) Said, sugar, take the time 'cause the lights are shining bright

(**Little/Small** patience, mm, yeah, ooh, yeah)

(Need a little **patience/love**, yeah...)

(**Just/Some** a little patience, yeah...)

(Some more **patience/love**, yeah...)

I've been walking the streets at \_\_\_\_\_  
Just tryin' to get it \_\_\_\_\_  
It's \_\_\_\_\_ to see with so many around  
You know, I \_\_\_\_\_ to being stuck in the crowd  
And the \_\_\_\_\_ don't change but, maybe the names  
I ain't got \_\_\_\_\_ for the game  
'Cause I \_\_\_\_\_ you yeah, yeah, but I need you, ooh...I need you  
Oooh I need you ... this \_\_\_\_\_
