

There are 12 numbered word in the passage that are mis-spelt. Write the correct spelling of each numbered word on the blank line with the same number. You must use Capital letters when needed and do NOT use when not needed.

The People who came

Trinidad and Tobago is known as a rainbow country because we have people from all over the world that live here. The Amerindians were here first. They grew (1) **casava** and corn. The (2) **spanerds** were the first (3) **eropians** to come to Trinidad. Other people like the British and French came from (4) **erop** as well. Some brought slaves from (5) **afica** to work on the (6) **estetes**. When the (7) **africns** were freed the East (8) **indans** worked on the (9) **suger** plantations. Other people like the chinse from (10) **chena** and (11) **Siryans** from middle east also came. Because of this we spoke many (12) **langages** over the years.
