1. Yesterday I ate chicken and chips. It was delicious! After lunch I washed the dishes.
2. I didn't drink beer at the party last weekend. I drank orange juice! I ate a lot of sandwiches and cake. I also danced a lot. Oh! Now I remember I sang in a competition, too.
3. Last summer I went to Carilo on vacation. The weather was perfect and the beach was amazing! I swam in the sea , but the water was cold.
4. When I was little, I had a tricycle. I loved it. I rode it every day.
5. When we went to Miami , we flew by American Airways. It was a good experience. In Miami we took a lot of photos, and then we visited Orlando and the Disneyworld parks. We bought a lot of presents for my grandparents and my cousins.
