Level: Starter B – Choose

I **walk / talk** the downtown, hear my sound
No one knows me yet, not right **now / know**
But I am bound to set this **will / feeling** in motion
I walk the downtown, **hear / listen** my sound

[x2]

I **go / say** that I want it, want it (be free)
Don't / Doesn't fight it, fight it
But if I'm gonna **go / do** for it
I'll **talk / remember** that, that

I'm not nothing **for / without** a steady **hand / hair**
I'm not nothing unless I **know / go** I can
I'm still **something / play** if I don't got a man
I'm a free **woman / man**, oh-oh (be free)

This is my dancefloor I **fought / went** for
A heart, that's what I'm livin' **to / for**
So **light / get** up my body and kiss **you / me** too
hardly
We own the **downtown / city**, hear our sound

[x2]
