

# SCOTTISH FOOD

If you  to Scotland, you'll **want/want** to try some of this country's famous dishes. **Haggis** is a very Scottish meal,  you like spicy food and meat, you will enjoy it. It does not look so good, but it is very tasty! If you  desserts and sweet snacks, you will love Scottish **cranachan**, this includes raspberries, cream and a little bit of whisky! Additionally,  you want to taste something really different, you **'ll feel/feel** surprised by the strange **Irn Bru**, the national soda. But remember, unless you **visit/'ll visit** this country in June or July, you  warm clothes because it's really cold!
