A \_\_\_\_\_<sup>1</sup> was rising above Misery Manor, where the Impaler family lived. In front of the huge house, there were some \_\_\_\_\_<sup>2</sup> and \_\_\_\_\_<sup>3</sup> circled around it.

Countess Mortemia Impaler, Count Drax Impaler and Grandpa \_\_\_\_\_<sup>4</sup> were sitting in the gloomy dining room at the big \_\_\_\_\_<sup>5</sup>, where they always started the night. There was only a light in the room that came from a large \_\_\_\_\_<sup>6</sup> over the table. \_\_\_\_\_<sup>7</sup>, the butler, served them a tall \_\_\_\_\_<sup>8</sup> for breakfast.

They wore dark clothes and \_\_\_\_\_<sup>9</sup>. All of them had sharp \_\_\_\_\_<sup>10</sup>.

\_\_\_\_\_<sup>11</sup> was angry because \_\_\_\_\_<sup>12</sup> didn't come for breakfast and he failed all his lessons, so she asked \_\_\_\_\_<sup>13</sup> for help to teach Vlad to fly.

When Vlad arrived at the dining room with his pet \_\_\_\_\_<sup>14</sup>, his mum unrolled a scroll of \_\_\_\_\_<sup>15</sup> and began to read his failed marks lessons. His parents told him that he had to improve his marks and if he can't fly sooner, they'll lock him in the Black Tower.

Vlad wasn't paying attention to them because he was thinking about the \_\_\_\_\_<sup>16</sup> book "Jollywood Academy- the Best School in the World" that he had found while he was exploring the old library in the \_\_\_\_\_<sup>17</sup>. As he couldn't stop reading it, he had stayed up to finish it, which was why he had been late for \_\_\_\_\_<sup>18</sup>. He had to hide it, because his parents would be \_\_\_\_\_<sup>19</sup> if they discovered it.

Vlad wished to be human, perhaps he could run away but he wasn't the bravest vampire, he was afraid of \_\_\_\_\_<sup>20</sup>, shadows and noises in the night.
