I've been on the Harry Potter Studio Tour in London. If you're crazy about Harry Potter, you should definitely go on it. You visit some of the sets, such as the boys' dormitory where Harry and Ron slept, and a classroom where they practised magic. It's fantastic. I've walked along Diagon Alley and touched Hagrid's motorcycle!

Have you been to Platform 9 3/4 at Kings Cross Station in London? We have! We've seen all the Harry Potter films and we love it when the students go through the wall onto Platform 9 3/4. There's a sign on the wall at Kings Cross that says Platform 9 3/4 and there's a luggage trolley in the wall. A friend took a photo of me holding on to it!

I've watched the first seven Harry Potter films without stopping! I started at 2.30pm and finished at 8 o'clock the next morning. I did it before they released the final Harry Potter film. I wanted to see all the films again before I saw that.

My brother Xavi plays Quidditch at his school, the sport Harry Potter plays. Well, it's a version of Quidditch because obviously we can't fly like Harry and Ron can on their broomsticks! Xavi has Quidditch practice once a week. I've watched one of his matches. It's fast and exciting. The ball is called the 'quaffle' like in the books.
