## - NIALL HORAN

1. Listen to the song and complete the blanks. Order the sentences.

Waking up to \_\_\_\_\_ you and nobody's there

The smell of your perfume still stuck in the air

It's hard

\_\_\_\_\_ I thought I saw your shadow running round

It's funny how things never change in this old town

So far from the stars

[ ] From when we were the children playing in this fairground

[ ] The words I never got to say the first time around

[ ] Wish I was there with you now

[ ] And I remember everything

[ ] And I want to tell you everything

If the whole world \_\_\_\_\_ watching I'd still dance with \_\_\_\_\_

Drive highways and byways to be there with \_\_\_\_\_

Over and over the only truth

Everything comes back to \_\_\_\_\_

I saw that you moved on with someone new

In the pub that we met he's got his arms around you

It's so hard, so hard

[ ] Wish I was there with you now

[ ] And I remember everything

[ ] From when we were the children playing in this fairground

[ ] The words I never got to say the first time around

[ ] And I want to tell you everything

As if the whole world \_\_\_\_\_ watching I'd still dance with \_\_\_\_\_

Drive highways and byways to be there with \_\_\_\_\_

Over and over the only truth

Everything comes back to \_\_\_\_\_

You still make me nervous when you walk in the room

Them \_\_\_\_\_ they come alive when I'm next to you

Over and over the only truth

Everything comes back to \_\_\_\_\_

And I know that it's wrong

That I can't move on

But there's something about you

If the whole world \_\_\_\_\_ watching I'd still dance with \_\_\_\_\_

Drive highways and byways to be there with \_\_\_\_\_

Over and over the only truth

Everything comes back to \_\_\_\_\_

You still make me nervous when you walk in the room

Them \_\_\_\_\_ they come alive when I'm next to you

Over and over the only truth

Everything comes back to \_\_\_\_\_ (x2)
