Dear Sally,

Do you remember me? We \_\_\_\_\_ to Springfield East together. You were the first person I \_\_\_\_\_ to know when I started there.

We \_\_\_\_\_ next to each other in class, but then the teachers made us sit apart because we \_\_\_\_\_ so much.

I remember we \_\_\_\_\_ back to your house after school and listen to music for hours on end. We \_\_\_\_\_ all the Beatles records as soon as they came out. Once we ate all the food in your fridge, and your mother \_\_\_\_\_ furious.

Do you remember that time when we nearly blew up the science lab? The teacher \_\_\_\_\_ crazy, but it wasn't our fault. We \_\_\_\_\_ him "Mickey Mouse" because he had sticky-out ears.

I still see Penny, and she's still as wild as ever. We meet up every now and then, and we \_\_\_\_\_ chatting about old times together. She \_\_\_\_\_ about a class reunion. So if you're interested drop me a line.

Looking forward to hearing from you.

Your old friend, Allison Wright.

PS. I'm not \_\_\_\_\_ Sally Davis! To me you're still Sally Wilkinson!
