

DOLITTLE – savannah slc

There once was a doctor known for his extraordinary He could talk to animals.

Doctor Dolittle's spread far and wide.

Even the Queen of England him.

So grateful for his help she gifted him a wondrous whose doors were opened to all

His belonged to the animals, but his belonged to one woman. Lily the explorer.

They traveled the going on great adventures. Defending creatures who could not themselves.

They made an extraordinary team. Soon, that became a family.

With Lily by his side Dolittle never felt more

Until one day she left on an

Lily at sea.

Heartbroken he locked the gates of the and completely retreated from the world.

....., and the animals whose lives he'd saved, we were left to wonder, could anyone save his?
