Miss Mary Luz

1. Completa el crucigrama ¿Qué necesitan las plantas?

The crossword puzzle grid is composed of several empty squares. To the left of the grid are illustrations of a bear, a shovel, a sun, and a watering can. To the right of the grid is a plant in a jar. Further to the right are three boxes, each containing an illustration and a label: a sun labeled 'Luz', a shovel labeled 'tierra', and a watering can labeled 'agua'.

2. Las plantas también tienen un ciclo de crecimiento. Observa las ilustraciones y escribe.
