

Fill in the blanks with present simple and past simple tenses.

Dear Peter,

Last summer I (travel) to Edremit with my family. We (stay) in our friend's house, because we (want) to stay in a nice boutique hotel. I (play) on the beach, (go) sightseeing, (swim) in the beautiful sea, and (write) many postcards. This (be) a different holiday for me. On holidays, I usually (stay) in bed more and (sleep) more.

One day, we (visit) a small island called Bozcaada. My father (warn) me before the trip not to leave them. He (want) me to stay with them during the whole trip. I usually (listen) to my father, but I (listen) him on that trip, because the island (be) so beautiful and I couldn't wait to see it with them. They (be) really slow. During the

trip, I eventually (lose) them. Luckily, at the end of the trip, I (find) them. They (be) angry with me. However, I really (have) a great time without them.

Tell me, Peter, What (be) your holiday like?
What you (do) last summer?

Best wishes,

Kate
