

The Twilight Saga

The Twilight Saga is a series of five films.

- 1 The Twilight Saga didn't get very good reviews. It was incredibly popular. (although)
Although the Twilight Saga didn't get very good reviews, it was incredibly popular.
- 2 *Twilight* is considered to be a romance.
Teenagers who don't like love stories also enjoyed it. (on the other hand)

- 3 The film features vampires and werewolves.
It is for all ages. (However)

- 4 I was disappointed with the dialogues.
I thought the special effects were great.
(although)

- 5 I didn't enjoy the first three films very much.
I had to see how it all ended. (despite)

- 6 The Twilight Saga was disappointing. Robert Pattinson and Kristen Stewart have become
