Reading

Yesterday

Yesterday was a nice day. The weather was great. It was a warm sunny day. I was on a small trip with my family. My sister was super happy. We were playing in the park when some birds appeared. My mother was a little worried but my father was cool. He was calm because he knew those birds were harmless. The park was green and clean. It was beautiful. It was one of the best days of my life.

True or false
