

BILL'S PRESENTATION

Hi everybody! Welcome to my "buddies presentation". Today I'll introduce my best of the best friends. Firstly, this is Yorgi. He is the special for me. I get on well with him and I share my secrets with him. He is very very reliable. Secondly, this is Helen. She is the most generous one of our group. She helps orphans and old people in the nursing home. She is very caring. Finally, this is Loren. She is very honest and loyal. She never tells lies and she never give up us. She always backs us up.
