I live in Bath, a beautiful city in England. There are a lot of old buildings and there are some very nice parks. Bath is famous for its hot springs, and you can swim in the hot water at the Thermae Bath Spa. I go there every Sunday. It's great! In the centre of Bath there are five theatres and some very good museums. I like shopping in a big new shopping centre called SouthGate. Bath's close to London, and there are trains to London every half hour. I think Bath's a great place to live! Tell me about Los Angeles!

Love, Susan
