

Somebody That I Used To Know - Gotye

1 [Verse 1: Gotye]
 Now and then I think of when we were together
 Like when you said you felt so 1. _____ you could
 2. _____
 Told myself that you were 3. _____ for me
 But felt so lonely in your company
 But that was 4. _____ and it's an ache I still remember
 You can get addicted to a certain kind of 5. _____
 Like resignation to the end, always the end
 So when we found that we could not make sense
 Well, you said that we would still be 6. _____
 But I'll admit that I was glad it was over

5 [Chorus: Gotye]
 But you didn't have to cut me off
 Make out like it never happened and that we were
 And I don't even need your love
 But you treat me like a stranger and that feels so rough
 No, you didn't have to stoop so low
 Have your friends collect your records and then change your 7. _____
 I guess that I don't need that though
 Now you're just that I used to know x3

7 [Verse 2: Kimbra]
 Now and then I think of all the 8. _____ you screwed me
 over
 But had me believing it was always that I'd done
 But I don't wanna live that way. 9. _____ into every word you say
 You said that you could let it go
 And I wouldn't catch you hung up on that 10. _____ used to know

9 [Chorus: Gotye]

10 [Outro: Gotye]
 Somebody (I used to know)
 Somebody (Now you're just somebody that I used to know)
 Somebody (I used to know)
 Somebody (Now you're just somebody that I used to know)
 (I used to know) (That I used to know) (I used to know)
 Somebody
