The best DVD ever

Barry McRoy likes movies, but he never thought that a DVD [1] _____ would save his life.

Fire and Rescue Director Barry McRoy was walking out of a restaurant one day when two men ran past him. They were fighting over a gun [2] _____. One of them shot it and the bullet hit Barry in the chest. Luckily, he was carrying a DVD in his shirt pocket. [3] _____. Amazingly, he only realized [4] _____ while he was talking to the police, when he noticed a hole in his jacket.

Barry wasn't hurt, but the incident completely destroyed the DVD, which left him feeling a bit disappointed [5] _____!
