Michael Jackson

1. Listen to the song and pay attention to the lyrics:

<p>I'm gonna make a change, For once I'm my life It's gonna feel real good, Gonna make a difference Gonna make it right</p> <p>As I, turn up the collar on My favorite winter coat This wind is blowing my mind I see the kids in the streets, With not enough to eat Who am I to be blind? Pretending not to see their needs</p> <p>A summer disregard, a broken bottle top And a one man soul They follow each other on the wind ya' know 'Cause they got nowhere to go That's why I want you to know</p> <p>I'm starting with the man in the mirror I'm asking him to change his ways And no message could have been any clearer If you want to make the world a better place Take a look at yourself, and then make a change</p> <p>I've been a victim of a selfish kind of love It's time that I realize That there are some with no home, not a nickel to loan Could it be really me, pretending that they're not alone?</p> <p>A willow deeply scarred, somebody's broken heart And a washed-out dream They follow the pattern of the wind ya' see 'Cause they got no place to be That's why I'm starting with me</p> <p>I'm starting with the man in the mirror I'm asking him to change his ways And no message could have been any clearer If you want to make the world a better place Take a look at yourself, and then make a change</p> <p>I'm starting with the man in the mirror I'm asking him to change his ways And no message could have been any clearer If you want to make the world a better place Take a look at yourself and then make that Change!</p>	<p>I'm starting with the man in the mirror I'm asking him to change his ways No message could have been any clearer If you want to make the world a better place Take a look at yourself and then make a change Gotta get it right while you got the time Cause when you close your heart You can't close your mind</p> <p>That man, that man, that man, I'm asking him to change his ways No message could have been any clearer If you want to make the world a better place Take a look at yourself and then make that change</p> <p>I'm gonna make a change It's gonna feel real good! Come on! Just lift yourself You know You've got to stop it, Yourself! I've got to make that change, today! You got to You got to not let yourself Brother</p> <p>You know I've got to get That man, that man You've got to You've got to move! Come on! Come on! You got to Stand up! Stand up! Stand up! Stand up and lift yourself, now! Gonna make that change Come on! You know it! You know it! You know it! You know it Make that change.</p>
