

## stand your ground

### Definition

If you stand your ground or hold your ground, you continue to support a particular argument or to have a particular opinion when other people are opposing you or trying to make you change your mind.

You know when to stand your ground and when to give in.

We're proud to represent Florida, the first stand your ground state.

1. Think of your own examples.

2. Work in pairs.

Discuss:

Is it always good to stay your ground?

3. Have you heard any other idioms in the episode?
