Missing you ▼

Hi Juli how are you? Long time no chatting. I hope you're doing well despite COVID-19 pandemic. How are things going? I'm doing fine. My family is working from home and I am studying online. At first it was difficult, but now it's ok.

At home we are collaborating with the housework; my sister is washing the dishes, my brother is cleaning the garden, and I am looking after our pets. My parents are working a lot, they're working from 9 o'clock in the morning to 6 or 7 in the evening.

I'm feeling awful. My parents are really strict with social distancing, so we aren't even visiting our grandparents. The house is boring and my family is driving me crazy.

Tell me about your quarantine, I hope to see you soon.

Cheers!
