

## ADVERBS OF FREQUENCY

**work**      **always**      **to**      **I**      **walk**

usually                    they                    late                    arrive

**father**      **forgets**      **my**      **often**      **birthday**      **his**

early                    wakes                    up                    he                    sometimes

rarely I morning tea the drink in

hardly me ever love you you say

in the evening Jenny never drinks coffee.

unhappy never are we

time      year      coldest      the      of      usually      this      is

sometimes I ~~use~~ ~~breath~~ can even minutes for a hold here

should you succeed, always on when supply very it's put

we other might see never again each
