Hello! My name is Zehra. I'm fifteen years old, and I live with my family in İzmir. I have one sister, Betül and one brother, Muhammed. My mother is a primary school teacher, and my father is a soldier in the army. We have got a large house in a good neighbourhood. There is a big nice garden around our house. I play games and have fun with my siblings at weekends. There are a few big trees, beautiful flowers and a small pool in the garden. There is also a garage for our car near the garden. There is a big living room and a nice kitchen. There are cupboards, a big table and chairs in the kitchen. We enjoy eating our meals there together. There are armchairs and sofas in the living room. There is also a big LCD TV there. There are three bedrooms in our house. In my bedroom, there is a bed, a bedside table, a study desk and a big wardrobe. There are pink and white curtains on the windows. There is a computer on the desk, and there are some paintings and beautiful posters of my favourite singers, actors and actresses on the wall. I love my bedroom.
