

# MY SPEAKING DICTIONARY

## UNIT 2 "MY SCHOOL"

| School supplies- Школьные принадлежности                                         |    |                |                                                                                     |                      |                      |
|----------------------------------------------------------------------------------|----|----------------|-------------------------------------------------------------------------------------|----------------------|----------------------|
|  | 1  | pen            |    | [pen]                | ручка                |
|                                                                                  | 2  | pencil         |    | ['pens(ə)l]          | карандаш             |
|                                                                                  | 3  | pencil case    |    | ['pens(ə)l<br>keɪs]  | пенал                |
|                                                                                  | 4  | rubber         |    | ['rʌbə]              | ластик               |
|                                                                                  | 5  | ruler          |    | ['ru:lə]             | линейка              |
|                                                                                  | 6  | scissors       |    | ['sɪzəz]             | ножницы              |
|                                                                                  | 7  | colour pencils |    | ['klɔ<br>'pens(ə)lz] | цветные<br>карандаши |
|                                                                                  | 8  | school bag     |    | [sku:l bæɡ]          | школьная<br>сумка    |
|                                                                                  | 9  | book           |   | [bʊk]                | книга                |
|                                                                                  | 10 | notebook       |  | ['nəʊtbʊk]           | тетрадь              |

| Objects around me- Объекты вокруг меня |       |                                                                                     |         |  |           |
|----------------------------------------|-------|-------------------------------------------------------------------------------------|---------|--|-----------|
| 1                                      | big   |  | [bɪɡ]   |  | большой   |
| 2                                      | small |  | [smɔ:l] |  | маленький |
| 3                                      | long  |  | [lɒŋ]   |  | длинный   |
| 4                                      | short |  | [ʃɔ:t]  |  | короткий  |
| 5                                      | thick |  | [θɪk]   |  | толстый   |
| 6                                      | thin  |  | [θɪŋk]  |  | тонкий    |

| Classroom words- Школьные слова                                                     |   |        |                                                                                     |            |        |
|-------------------------------------------------------------------------------------|---|--------|-------------------------------------------------------------------------------------|------------|--------|
|  | 1 | school |  | [sku:l]    | школа  |
|                                                                                     | 2 | pupil  |  | ['pjʊ:pɪl] | ученик |

|                                                                                  |    |            |                                                                                   |              |  |                  |
|----------------------------------------------------------------------------------|----|------------|-----------------------------------------------------------------------------------|--------------|--|------------------|
|  | 3  | teacher    |   | [ti:tʃə]     |  | учитель          |
|                                                                                  | 4  | classroom  |  | ['kla:sru:m] |  | классная комната |
|                                                                                  | 5  | chair      |  | [tʃeə]       |  | стул             |
|                                                                                  | 6  | desk       |  | [desk]       |  | стол (парта)     |
|                                                                                  | 7  | blackboard |  | ['blækbɔ:d]  |  | доска            |
|                                                                                  | 8  | plus       | +                                                                                 | [plʌs]       |  | плюс             |
|                                                                                  | 9  | minus      | -                                                                                 | ['maɪnəs]    |  | минус            |
|                                                                                  | 10 | is         | =                                                                                 | [ɪz]         |  | равно            |

| Classroom commands- Школьные слова-инструкции |          |                                                                                     |            |  |          |
|-----------------------------------------------|----------|-------------------------------------------------------------------------------------|------------|--|----------|
| 1                                             | listen   |    | ['lɪs(ə)n] |  | слушай   |
| 2                                             | look     |   | [lʊk]      |  | смотри   |
| 3                                             | repeat   |  | [rɪ'pi:t]  |  | повтори  |
| 4                                             | count    |  | [kaʊnt]    |  | посчитай |
| 5                                             | open     |  | ['əʊpən]   |  | открой   |
| 6                                             | close    |  | [kləʊz]    |  | закрой   |
| 7                                             | sit down |  | [sɪt daʊn] |  | садись   |
| 8                                             | Stand up |  | [stænd ʌp] |  | встань   |
