THE MODERN WORKPLACE

WORKSHEET

1. If Cloud computing is so beneficial to companies, why are there companies reluctant to change their work environment.

2. Besides the devices discussed, give 3 more devices that can be used in a modern workspace and give reasons for your answers?

3. Conduct an interview with a local business owner and ask him/her about the types of technology/devices they use for their business. Be sure to ask what are the advantages and disadvantages for using these devices.

Business: _____
