

You've got a friend in me

Listen and choose the correct word.

By Randy Newman

You've got a in me

You've got a in me

When the road looks rough ahead

And you're miles and

from your nice warm

You just remember what your old pal said

Boy, you've got a in me

Yeah, you've got a friend in me

You've got a friend in me ,You've got a friend in me

You got and I got 'em too

There isn't anything I wouldn't do for

We stick

and we see it through

'Cause you've got a friend in me

You've got a friend in me

Some other folks might be a little bit

than I am Bigger and stronger too, maybe

But none of them will ever love you the way I do

It's me and you, boy

And as the years go by

Our will never die

You're gonna see it's our destiny

You've got a friend in me

You've got a friend in me

You've got a friend in me
