

Match the key signature to the corresponding scale.

Bb Major

F Major

G Major

C Major

Fill in the blanks: Here's the E flat Major scale. Drag the technical names to each number.

1

3

6

Mediant

Submediant

Tonic

## Harmonic minor scales: Select true or false

1. A minor is the relative minor of C Major.
2. The notes in D harmonic minor are: D E F# G A B C# D.
3. In order to form the harmonic minor scale, one has to take the key signature from the relative Major scale and raise the seventh degree of the scale by a semitone.
