

NAME: _____

SECTION : _____

ROLL No. _____

- 1 Count the things and draw a line to join the correct number. One has been done for you.

The image shows a matching exercise. On the left, there are cartoon numbers: 1 (green), 7 (green), 3 (orange), 8 (yellow), and 5 (red). On the right, there are cartoon numbers: 4 (blue), 9 (blue), 2 (pink), and 6 (purple). In the center, there are several groups of objects in white rounded rectangles: 7 yellow trumpets, 4 pink butterflies, 9 colorful backpacks, 3 bees, 4 orange basketballs, 8 soccer balls, 10 blue candies, 3 watermelon slices, and 2 pink lollipops. A line is drawn from the number 1 to the group of 7 trumpets.
