

Project: “Promoting Living Together at Home and at School.”

2nd English Project’s live worksheet by T. Luz Araujo

Hi dear students! This activity was created to you.

Competence: Read English texts in written way like foreign language

Purpose: Identify different meanings and new vocabulary that you have learnt last weeks about these topics: Self-esteem, Gender Equity and Cultural Identity

Self-esteem (1)	Gender Equity (2)	Cultural Identity (3)

Belief in oneself; self-respect.

It is according to their respective needs

Feeling of belonging to a group

How you feel about yourself

This may include equal treatment or treatment

We have its own distinct culture

Confidence in one's own worth

Self-perception to nationality, ethnicity, religion, social class, generation, locality and any kind of social group

Fairness of treatment for women and men.

Undue pride in oneself conceit

It is considered equivalent in terms of rights, benefits, obligations and opportunities

Belong to any kind of social group
